

# ShopMate Pay

## The integrated solution for smarter retail

Efficient card and contactless payments help your business thrive – with speedy transactions to help keep your queue moving and efficient settlement to help you manage your cashflow.

Manage your payments through ShopMate and cut down on your admin with one easy contract. Expert help 365 days per year – the same excellent support for your payments that you have come to rely on from your ShopMate EPoS.

# ShopMate Pay

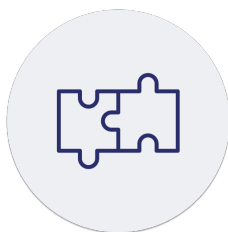

Efficient Card Payments by ShopMate

## How ShopMate Pay helps your business

### Expert support

ShopMate support for all payment queries including next day swap out for faulty or damaged terminals

### Fully integrated

Integrated card payments help reduce errors and improve transaction speed, making your business more competitive

### Get set up easily

Same day setup – seamless, accurate transactions and easy day to day administration

ShopMate Pay supports Chip & PIN, contactless and mobile, and payments from major card providers like Visa, Mastercard and American Express.

ShopMate Pay is designed for retail businesses that require fast, secure and reliable payment processing, and for those looking to optimise payment workflows and reduce overhead costs.
