

ShopMate Self-Serve...

Bust queues with no additional staff

With the rising cost of doing business, especially wages, ShopMate Self-Serve is the perfect way to offer your customers speedy checkouts, while protecting your operating costs.

ShopMate Self-Serve

Bust queues with no additional staff

How ShopMate Self-Serve Helps You Flourish

Easy to use

Our easy interface makes transactions a breeze for your customers.

Secure

Card only/Barcode only transactions reduces risk of mistakes

Legal compliance

Authorised sales can be carried out by approved staff on self-serve

No additional hardware

Just scan your user code, swivel your till, and it's ready to go.

Get setup today

If your hardware is compatible, we can set you up over the phone on the same day.

Bust queues

Offer your customers a better experience with more open lanes.

From just £4 a week you can...

Cut costs, tackle queues today with Self-Serve
